School Phone# _____

G.

Adler Schools will not provide drop off or pick up services for extra curriculum activities before or after regular school schedule.

3. Health Reports

All children enrolled in Adler Schools must have a health examination on file unless it is waived in accordance with section 407.310(a) (c). Children must also have a dental examination on file.

4. Proof of Identity

A. Adler Schools requests a certified copy of child's birth certificate and social security card to be submitted within 30 days of child's start date. The daycare center will return original documents after making copies by the next business day.

B. The parent will be notified that the Adler Schools will be required by law to notify the Illinois State Police or local law enforcement agency if the parent fails to submit proof of child's identity. After the Illinois State Police or local law enforcement agency has been notified, the parents will be given an additional 10 days to comply by submitting the required documentation.

C. Any inaccurate or suspicious affidavit received will be reported by Adler Schools to the Illinois State Police or local law enforcement.

D. Adler Schools will flag the record of a child enrolled at the center that is reported by Illinois State Police as a missing person and shall immediately report to the Illinois State Police any request concerning flagged records or knowledge as to the whereabouts of any missing child.

J. Discharge from Adler Schools

Adler Schools will discharge any child after attempts have been made to meet the child's individual needs, demonstrates inability to benefit from the type of care offered by the center, or whose presence is detrimental to the group.

K. Adler Schools will help parents create a plan for the child after discharge. Parents will also be provided with resources and referrals from other agencies or facilities in the best interest of the child's needs.

Late Pick-up & Late Drop-off Policy

All parents are responsible for notifying in the event of a late pick up or drop off. If a phone call is not received from the parent advising that they will be late. The following plan of action will apply to the parent or responsible person who consistently pick-up and drop off the child after the time slot determined at enrollment and the given grace period of time has been exceeded.

- The first late arrival or pick-up, the parent or adult will be given a **verbal reminder** of the designated time slot and reminded of their tardiness.
- After the second late arrival or pick-up, the person will be given a **written late pick-up notice with a charge of \$1.00 per minute late**. We understand that emergencies can occur; we strongly encourage parents to call ahead of time and add the hourly rate of \$15.00 per hour/ per child.
- \$1.00 per minute late will be charged for every minute past your time slot. These late fee will be applied **every time** the child is picked-up late, unless parents make arrangements in advance. These fees are due immediately or the next day the child attends.

- If child is not picked up by scheduled time set during enrollment Adler Schools staff will call parents immediately.
- If unable to contact parents on phone numbers provided, Adler Schools staff will call 1st emergency contact on list, if unable to communicate 2nd emergency contact will be called.
- All calls made to parent/guardians, emergency contacts and pick-up authorization contacts will be documented with time, name of person being contacted, conversation and or message, name of person making call.
- If parents and emergency contacts cannot be reached with in the first 30 minutes after set scheduled pick up time Adler Schools will than proceed to contact local law enforcement and or DCFS. Staff will continue to make attempts to reach the parent and/or the child’s emergency contacts. Staff cannot keep the center open in order to provide care and shelter for the child.
- Staff will keep a written record of the attempts to contact authorized persons and the eventual manner of discharge and will involve the Site Director. Sign-out sheets have to be signed by the authorized person who picks up the child this may include a Naperville Police Officer or DCFS representative.
- In this situation the most appropriate course of action is to contact the local law enforcement, and/or (DCFS) Department of Children and Family Services.
- It is the parent/guardian responsibility to update any changes in phone numbers and or addresses. This includes updating information for emergency contacts and pick-up authorizations.
- Adler Schools has the responsibility to maintain the safety and well-being of the child (ren) who are waiting to be pick-up by parent/guardians or outside authorization.
- Adler Schools Site Director or Staff must discuss the situation with parent/guardians ONLY. No child (ren) should be held accountable for any situation.

Guidance and Discipline Policy

Adler Schools understands that sometimes children need help to build their self-control. Discipline at Adler Schools will be used to help children balance their needs with those of others, to feel good about them, and to become increasingly independent. At Adler Schools is important for every staff member to build a positive relationship with the children. Positive guidance includes creating an atmosphere of quiet firmness, clarity, and relationship with the children. Positive guidance includes creating an atmosphere of quiet firmness, clarity, and conscientiousness, while using reason, Effective discipline requires follow through; time and patience are required for these ideas to be effective, Progress may be slow; it often takes a long time for children to understand self-control, instead of adult-imposed discipline.

The following behaviors are prohibited, in accordance with State of Illinois Licensing Standards for Day Care Centers; -Corporal punishment; including hitting, spanking, seating, beating, shaking, pinching and other measures intended to induce physical pain or fear;

- Threatened or actual withdrawal of food, rest or use of the bathroom;
- Abusive or profane language;
- Any form of public or private humiliation, including threats of physical punishment;
- Any form of emotional abuse, including shaming rejecting terrorizing or isolating a child.

GUIDANCE AND DISCIPLINE POLICY IMPLEMENTATION PROCEDURES:

Adler Schools, depends on full enrollment of all its programs, because of the number of children involved maintaining control can occasionally become a problem for any teacher.

Rules of Behavior Written rules are established which set limits of behavior required for the protection of the group and individuals. These rules are developed by program staff and children, and posted in each classroom. The rules are written so as to be understood by children, and may be accompanied by pictures to help illustrate the rule.

Oral Reprimand: When the child disobeys a program rule established to provide the safest and most beneficial environment for all, the staff member or Site Director will speak to the child and remind the child of the rules.

Consequence: When a child's improper action or behavior occurs a second time, the child is reminded again and given a consequence. Reflective Time may be used as a change for the child to gain control, regroup, and ponder his/her behavior. The number of minutes of Reflective Time should never be longer than the age of the child.

Incident Report: A teacher may write an official incident report if a child's behavior warrants such. This may occur if a child injures or causes injury to another child, is involved in a physical fight, exhibits other serious behavioral problems. Incident report will be signed by teacher, Site Director, and parent. The original report will be given to the parent and a copy will be kept in the child's file.

Phone call home: If a child's pattern of unacceptable behavior continues, the staff member will discuss the situation with the Site Director. The parent is made aware of the situation by the Site Director and asked to discuss the situation with the child.

Weekly Observation Report: When a child exhibits a pattern of unacceptable behavior, staff may choose to write daily observations pertaining to the child's overall behavior in the program.

Parent Conference: Under certain circumstances a parent conference may be scheduled, giving the parent and staff the opportunity to discuss the pattern of unacceptable behavior and develop a plan for responding to the behavior. A behavior management plan must be agreed on by the parent, documented in the child's file, and implemented by all staff working with the child.

Exclusion from program: After previous warnings, and if the action or behavior continues, Adler Schools reserves the right to exclude any child from attending the program. A child will be excluded from the program only after exhaustive efforts have been made to manage the child's behavior. This final step may be necessary to ensure the safety and well-being of each and every child. The Site Director will make every effort to identify and provide referrals and/or resources to the parent in placing the child in the appropriate setting.

Health Requirements for Children

Adler Schools requires a complete Medical Exam that includes:

- Hemoglobin/Hematocrit
- Lead Screening with numerical results
- Tuberculin screening results/Questionnaire
- Hearing/Vision Screening
- Dental Exam

Immunizations include:

- Poliomyelitis
- Measles
- Rubella
- Mumps
- Diphtheria
- Pertussis
- Tetanus
- Haemophilus influenzae B
- Hepatitis B
- Varicella (chickenpox)

Adler Schools will provide approved DHS

Children enrolled in Adler Schools are required to have a completed medical exam less than 6 months prior to enrollment date on original DHS form.

Children transferring from another center into, will accept medical exam if less than one year prior to enrollment date. Medical exam must be on original DHS form.

Medical Exams are valid for two years with the exception of the subsequent examinations for school-age children. School-age children medical exams shall be in accordance with the Illinois School Code [105ILCS 5/27-8.1] and the Child Health Examination Code (77 111.Adm.Code665).

Medical Exam should list all received immunizations with dates immunizations were given to child. Parents may also provide Immunization record book. Required immunizations required by the Illinois Department of Public Health in its rule (77 111.Adm. Code 695, Immunization Code, must be up to date.

Children enrolled in Adler Schools in a high-risk group determined by examining physician required to have Tuberculin Skin test conducted and test results should be recorded on original DHS Medical Exam Form.

Children enrolled in Adler Schools #1, Inc of the age of one to six years old must be screened for Lead Poisoning if residing in areas defined as high-risk by the Illinois Department of Public Health. A completed Lead Risk Assessment is required for children residing in low-risk areas by the Illinois Department of Public Health.

According to Illinois state law, children may be exempt from immunizations and/or examinations under two conditions: 1) if it is certified in writing by the child’s physician to be medically contraindicated; and/or 2) if the parent objects on religious grounds and provides a written statement. In each, the specific immunization/examination must be identified and the medical condition or the specific religious belief must be stated. Adler Schools requires that parents provide an original written statement that sets forth fully the religious belief that is the basis for their objection, instead of relying on a prepared form which may not accurately or sufficiently describe their religious belief.

Children enrolled in Adler Schools, exempt from immunizations and/or tuberculin test for any medical reason, must be indicated by the physician on original DHS Medical Exam Form.

Adler Schools will maintain an accurate list of children enrolled who are not immunize as Illinois Department of Public Health requires. Number of non-immunized children enrolled at Adler Schools will be available to parents if requested.

Original DHS Medical Exam Form must be dated and sign by the child’s examining physician. Form must include name, address, and telephone number of examining physician responsible for child’s health care.

Pesticides Policy and Procedures

To protect the health and well being of children, parents and staff, Adler Schools implements an integrated pest and rodent control plan. Adler Schools. Site Director and Maintenance staff examines the facility monthly for any trace of rodents, roaches, and insects. When applying nontoxic pesticides strict compliance with label instructions and toys items handled by children and staff will be removed. Maintenance staff will insure no pesticide residues are left in areas accessible to children or staffs before areas are used. Parents and staff will be notified of the circumstances that prompt the need for pesticides. Adler Schools maintains monthly inspection log of services is available at the Front Desk.

In order to prevent infestation of any kind, the following preventative steps are taken:

- * All garbage and refuse shall be collected and discarded daily and after meals and stored in a manner that will not provide harborage for insect's rodents or other pests. An adequate number of covered, durable watertight insect and rodent-proof garbage and refuse containers are provided for use. Garbage and refuse containers used to discard supplies, food products or disposable meal service supplies shall be tightly covered and lined with plastic and discarded immediately.

- * The center shall be cleaned daily and kept in a sanitary condition at all times. Appropriate sanitation procedures are implemented equipment. Toys, table, tops, furniture and other similar equipment used by children shall be washed and disinfected when soiled or contaminated with matter such as food, body secretions or excrement.

- * Cleaning of food particles and grease from kitchen appliances such as toasters, ovens stoves, refrigerators and microwaves is done on a daily basis.

- * Windows are securely screened to prevent the entrance of insects.

- * All doors are securely closed.

MEDICATION POLICY AND PROCEDURES

Adler Schools will administered medication when:

- * Medication dosage cannot be adjusted to exclude hours when child is in day care.
- * A child has a chronic medical problem (e.g ,asthma) which may requires urgent administration of medication .

Only Medications Which Meet The Following Conditions Can Be Administered:

- * Medications prescribed by a physician, in its original container and labeled with the child's name directions for administering the medication, potential side effects , the date the physician's name the prescription number and drug store or pharmacy.

- Medications stored are in safety-lock containers transported safely with regard to temperature, light, and other physical storage requirements.

- Medications for which all the criteria on the program's consent form have been met.

Persons Authorized To Administer Medication (Listed On Parental Consent Form):

- Teacher

- Teacher Assistant

- Program Director (in the event that none of the above staff is available)

Responsibilities of parents are to:

- Notify appropriate Adler Schools staff

- Complete a medication consent form, which includes information about dosage, storage, and proper administration of medication.

Responsibilities of staff are to:

- Ensure parents complete all information on consent form.

- Receive instructions on administering the medication.

- Determine which staff member will administer medication.

- Assure safe storage of medication in the designated locations, and ensure appropriate staff has access to medication and medication administration records.

- Identify the child (ren) to whom the medication is to be given.

- Become familiar with the potential side effects to medications to be administered and how to respond to such side effects.

-Know when and how to contact parents, physicians, or pharmacist as needed.

-Record on the medication administration log the date, time, amount of each dose given, prescription number, if applicable, and the name of the person administering the medication. The log is available to be reviewed by parents.

In order for children to receive medications to be administered by their teacher during the school day, the following must occur:

-Medications are to be left in their original containers.

-Medications need to be labeled by a pharmacist.

-The childproof medication needs to be on the container.

-The date the prescription was filled needs to be on the labeled container.

-The medication's expiration date needs to be on the label.

-The medication administration directions need to be on the labeled container.

-The medications storage and disposal directions need to be on the labeled container.

-Non-prescription medications can be dispensed with a written physician's order.

* Over the counter pain relievers such as Tylenol and Ibuprofen are used to manage mild to moderate pain. These medications can be administered for pain if the teacher receives a written physician's order clearly indicating its use, dosage and administration instructions.

* Over the counter fever reducers such as Tylenol and Ibuprofen are used to reduce fevers, can be administer fever reducers to children who have a history of febrile seizures if we have clearly written physician orders including the dosage and when to administer.

Children who do not have history of febrile seizures and who develop a fever greater than 100.3 F parents will be called immediately and requested to pick-up child. Staff will provide a quite area for child to rest until he/she picked-up, and maintain child as comfortable as possible.

Setting for medication administration:

-In a location where the child receiving the medication will have relative privacy when the medication is given. If this is not possible, the other children will be reminded that medication are only taken when the care giving adult administers them.

-In a location where accidental ingestion by another child is unlikely.

-When hand-washing facilities are accessible.

Medication will be stored:

-Medications should be stored in the classroom locked box labeled for medication use only. The locked box should be stored in a place that is not accessible to children. All medications need to be in childproof containers. The medication locked box should only be used to store medications. Medications need to be in locked box during trips outside of the center.

-Medications that need to be refrigerated should be stored in the locked box refrigerator located in the classroom refrigerator section designated for medications. Medications that require refrigeration will be packed in an ice chest for out of the Center activities.

-Adult and Volunteer Medications should be stored in the locked and labeled medication box located second shelf in the classroom.

-A child's medication will be sent home when it is no longer needed.
